Your Acorns Subscription Fee, which is the total amount you are paying to Acorns each month for access to the Acorns financial wellness system and all related services, is set forth in the Acorns website or application. The Acorns Subscription Fee has two components: the Acorns Program Charge and the Investment Advisory Fee.

- **Acorns Program Charge:** The Program Charge is the Acorns Subscription Charge minus the Investment Advisory Fee. This charge is allocated to Acorns Grow Incorporated and is the amount Acorns Grow Incorporated charges for the overall platform and services including educational content and access to the Acorns financial wellness system.
- **Investment Advisory Fee:** This fee is paid to Acorns Advisers, LLC for the investment advisory services provided to you across all of your advisory account(s) which may include Acorns Invest, Acorns Later and/or Acorns Early Invest.

For more information on Subscription Fees and their attribution, please refer to the Acorns Program Agreement.

An Additional Fee is charged for specially requested services or irregular occurrences such as wire transfers, asset and funds transfers, and rollovers. For more information about the specific services and occurrences and fees associated with each, please refer to your Program Agreement.

If we are unable to collect your Subscription Fee or any Additional Fees by debiting your funding sources, we may initiate sales in your Managed Account(s) to fully or partially satisfy your charges and fees. Sales of Securities for Fees reflects the shares sold from your Managed Account(s) to cover the Subscription Fee or any Additional Fees this month since we were unable to debit your linked funding source. To help ensure that charges and fees are taken from your linked funding source, please ensure your funding source is adequately linked and funded on your billing date.
